Byker Passion
Throughout Holy Week there will be a project in St Michael's Church from 11am - 3pm to design Stations of the Cross which will be placed at various locations within the Byker Wall on Good Friday. Please stop by the Church for a short while and contribute to the Stations. Good for all ages! On Good Friday people can walk and visit the completed Stations beginning at St Michael's Centre at Raby Cross and ending at St Michael's Church.
Easter Sunrise in Byker Garden
For those who wish to greet Easter morning with the sunrise, there will be an informal Eucharist at 5.30am in the Byker Garden by St Michael's Church.
